JTAC- 787/ORAC Apprentice Awards

Apprentices and **new** Journey persons are eligible for some or all of the following awards

Fred Bland Memorial Trophy for the Highest C of Q Mark

This award in memory of Fred Bland, is presented to the new journey person who has attained the highest score on the C of Q exam.
Close-off date is the first week of May, 2008

Robert C. Fair Memorial Trophy for the Highest Night School Mark

This award, in memory of Robert C. Fair, is presented to the individual who attains overall high academic achievement upon completion of the 4 year JTAC Night School program.

O.R.A.C. Award for the Highest Home Study Mark

This award is presented on behalf of the Ontario Refrigeration and Contractors Association to the individual who attains overall high academic achievement upon completion of the 4 year JTAC Home Study program.

Barry Layman Safety Award

This award, in memory of the late Barry Layman, is for the individual who displays a safe work ethic and concern for him/herself and others both in the workplace and at school.
The selection of this recipient is determined by the input from instructors, employers and mechanics. This individual is generally a new mechanic who has completed his/hers Night School and Advanced Training in 2007 or 2008. Therefore, we are looking for your input.

Sporlan Personal Excellence Award

This award on behalf of Sporlan Valve, is presented to the individual who displays commitment and a passion for our industry as well displays concern regarding the educational advancement of not only him/herself but acts as a mentor for others.
The selection of this recipient is determined by the input from instructors, employers and mechanics. This individual is generally a new mechanic/5th year apprentice, who has completed his/hers Night School and Advanced Training in 2007 or 2008. Therefore, we are looking for your input.

Suva Rising Star Award.

This award, on behalf of Dupont, is presented to an individual that has displayed dedication and leadership throughout his/her apprenticeship. The individual also displays high academic achievement
The selection of this recipient is determined by the input from all instructors, employers and mechanics. This individual is generally a new mechanic who has completed his/hers night school and Advanced in 2007 or 2008. Therefore, we are looking for your input.

The JTAC encourages apprentices to apply for these awards, where applicable. If you are an apprentice wishing to attain one of these awards, please contact the JTAC for the application forms. We will require you to have three different references (ie. employer, mechanic, instructor, customers, etc.). If you are an employer or mechanic and you feel you have an apprentice working with you, who is worthy of one of these awards, please contact the JTAC for application forms.

The Barry Layman, Sporlan and Suva awards will be decided upon by deliberation within the JTAC, upon receipt of application forms in compliance with the JTAC criteria. Application forms will be available January 8, 2008 and completed entries must be received in the JTAC by April 15, 2008. Please get involved and good luck to all of you apprentices and new journeypersons.
